

A LONG WEEKEND IN...

Veneto, Italy

The Veneto region of Italy, located in the northeast, is known for its rich history, stunning landscapes, and vibrant cities like Venice and Verona. It stretches from the Adriatic Sea to the Dolomite Mountains, offering a diverse climate that is ideal for winemaking. Verona, often called the “City of Love,” is famous for its connection to Shakespeare's Romeo and Juliet and is also a gateway to the Valpolicella wine region, home to Amarone and Ripasso wines.
